I. PURPOSE

The purpose of this document is to outline a process for interested training providers to propose specific occupational skills training programs for possible inclusion on the Hampton Roads Workforce Council's (HRWC) Approved Individual Training Account (ITA) Training Programs List as approved by the HRWC Board of Directors. Approved programs will be eligible to receive **Vouchers** for eligible customers to receive training from the Virginia Career Works – Hampton Roads Region System, otherwise referred to herein as the “One-Stop System.” For the purpose of this Application Package, a program of training services is defined as one (1) or more courses or classes, or a structured regimen that leads to the award of a recognized postsecondary credential based on measurable skill gains, as defined under Section VII. (K).

Note: Training Programs, regardless of the occupational area, that are designed to result in a Bachelor's Degree or above will not be considered, unless the proposed program is for a Bachelor's Degree in Registered Nursing.

HRWC is **only** interested in occupational skills training programs directly related to occupations in the Healthcare; Information Technology; Transportation, Distribution and Logistics; Construction Trades; Manufacturing; Education; Business; and Tourism and Hospitality Industry Sectors. Training in areas not listed above such as Cosmetology and Barbering can be provided through the use of On-the-Job Training (OJT) Contracts, either in support of a Registered Apprenticeship Program or as a “stand – alone” training option, based on employer demand and in accordance with the HRWC OJT Policy. In addition, training services may be provided by HRWC through Customized Training (CT) Contracts and Incumbent Worker Training (IWT) Contracts, based on employer demand and in accordance with the HRWC’s CT and IWT Policies. OJT, CT and IWT training options are not covered under this ITA Application Package. Information regarding such training options can be provided by contacting William Coley, HRWC Operations Officer, at either 757-314-2370 or bcoley@theworkforcecouncil.org.

In addition, HRWC is only interested in receiving Application Packages from providers of distance learning training programs that have a physical “bricks and mortar” presence in the Hampton Roads region or have a demonstrated history of WIOA performance outcomes success in the region.

Programs approved by the HRWC Board of Directors under this Application Package will also be included on the Virginia Eligible Training Providers List (ETPL).

This Application Package is open to both new and current training providers (with certain limitations as noted above) and is issued in order to establish **Initial Eligibility** for inclusion on the Virginia and HRWC’s Approved Training Programs Lists, in accordance with Virginia Board of Workforce Development (VBWD) Policy #404-01 and Virginia Workforce Letter (VWL) #16-06, Change #1. **Training programs approved under this Application Package will receive Initial Eligibility for the period of 7/1/22 to 12/31/22.** These documents can be found at: <https://virginiacareerworks.com/practitioners-corner/>. In addition, the ITA Program is conducted in accordance with HRWC ITA Policy, which can be provided upon request. Continued Eligibility for approved programs to remain on the aforementioned lists will be based on the demonstration of satisfactory performance and continued labor market demand.

AD HOC RECONSIDERATION PROCESS HAMPTON ROADS WORKFORCE COUNCIL BOARD OF DIRECTORS

The Hampton Roads Workforce Council (HRWC) administers the Workforce Innovation and Opportunity Act (WIOA) of 2014 within the 15 local Hampton Roads jurisdictions that comprise Local Workforce Development Area #14 within the Commonwealth of Virginia and has the responsibility for selecting program providers for the Region from among various applicants.

It is the desire of the HRWC to voluntarily provide an informal process for any applicant who submits a proposal which is not selected or program contract that is not extended or ITA program that is not recertified for continued eligibility, to have the opportunity to request reconsideration of such action.

Therefore, the following process applies to proposals received in response to HRWC RFPs, ITA Applications and HRWC decisions to not extend a program contract or ITA program for an additional performance period, in accordance with the applicable RFP or ITA Application/ Vendor Agreement:

PROCESS STEPS

- 1) If a proposal is not accepted, a program contract is not extended or an ITA program is not continued, the HRWC Operations Officer shall formally notify the applicant/program contractor/ITA Vendor of such action within five (5) workdays of the decision. Such notification will have attached thereto a copy of this process.
- 2) In the event the applicant/program contractor/ITA Vendor desires reconsideration of a proposal, a program contract extension decision or removal of an ITA program, such applicant/program contractor/ITA Vendor shall submit a written request for reconsideration to the HRWC Operations Officer within five (5) workdays of notification of the decision.
- 3) Upon receipt of such written request, the HRWC Operations Officer shall within five (5) workdays of receipt of such, notify the Chairperson of the HRWC's Board of Directors (BOD). The Chairperson shall within five (5) workdays of such notification, appoint an AD HOC Committee to informally meet with the applicant/program contractor/ITA Vendor to discuss the request for reconsideration. In the case of youth proposals/contractors, most of the AD HOC Committee members shall be Youth Committee members.
- 4) The Chairperson of the AD HOC Committee, appointed by the HRWC BOD Chairperson, shall then set a time for a meeting with the applicant/program contractor/ITA Vendor, to be held within ten (10) workdays or as expeditiously as possible, thereafter.
- 5) Said meeting shall be informal, and be restricted to the AD HOC Committee, the applicant/program contractor/ITA Vendor and HRWC staff, as requested by the AD HOC Committee Chairperson.
- 6) The AD HOC Committee shall allow, under procedures to be set by the AD HOC Committee Chairperson, the applicant/program contractor/ITA Vendor to submit either orally or in writing, any additional information, as it relates to the applicant's proposal, contract extension decision or ITA program removal.
- 7) The AD HOC Committee shall report to the HRWC BOD Executive Committee at their next regularly scheduled meeting the result of any vote taken as to whether to recommend proposal/contract extension/ITA program removal reconsideration and the reason (s) for any such recommendation or to affirm the original decision.
- 8) The HRWC BOD Executive Committee shall consider such recommendation and act as it deems appropriate. Any such recommendation which results in the award of funding to an applicant's proposal or an increase in the original award amount of an applicant's proposal or the extension of a program contract shall be presented to the full HRWC BOD at its next regularly scheduled meeting, for action. ITA programs recommended for inclusion on the HRWC's Approved ITA Programs List may be added by the Executive Committee in between HRWC BOD meetings.
- 9) Nothing contained in this process shall create a right to funding or a right of appeal if the AD HOC Committee does not in its sole discretion, recommend that the applicant's proposal/ contract extension decision/ITA program removal be reconsidered by the HRWC BOD Executive Committee. **Note:** Applicants seeking resolution for a proposed ITA program(s) not being selected or removed by the HRWC **must first go through this local process before seeking resolution under the State Process.**
