Job Corps:

Job Corps is the nation's largest career technical training and education program for young people ages 16 through 24. Students can earn a high school diploma, a high school equivalency credential, or college credits through Job Corps. They offer career technical training in more than 100 career areas. Students receive housing, meals, basic health care, a living allowance, training, and preparation for a career, all at no cost. For up to 21 months after graduation, a career transition counselor will help your student make the transition from Job Corps to the real world.
